

Olympian™ 10 SEER HIGH-EFFICIENCY HEAT PUMP

- Year-round Comfort
- Outstanding Efficiency
- Built-in Reliability

Why Choose a York® 10 SEER OLYMPIAN™ HEAT PUMP?

ALL IN ONE.

Unlike conventional central air conditioning systems, a heat pump provides comfort during the hottest summer days and coldest winter nights. During summer, warm air from the home is absorbed and compressed in the coil—lowering the temperature—and the resulting cooled air is blown into your home. During winter, it all happens in reverse; outdoor heat is absorbed and compressed—raising the coil temperature—and is then transferred into your home.

AFFORDABLE COMFORT.

Matching your heat pump with a compatible York® variable-speed air handler provides economical heating and cooling.

PEACE AND QUIET.

State of the art compressor technology, along with engineered features like rippled coil fins, has been applied to muffle operating sounds.

LONG-LASTING RELIABILITY.

Built using weather-resistant materials, the attractive and durable exterior promotes trouble-free, day-to-day, year-to-year operation.

FEATURE	BENEFIT
Durable matte appliance-like finish	Resists rust and corrosion
Raised fan coil guard	Reduces sound levels
High-pressure relief valve and solid core filter-drier	Extends life of compressor
Permanently lubricated fan motor	Reduces maintenance costs
Coils constructed of copper tubing with hardened, black-coated aluminum fins	Durability and long-lasting efficient operation
Time delay defrost control system	Prevents coil icing and improves energy efficiency

1. The Federal Government has established SEER (Seasonal Energy Efficiency Ratio) and HSPF (Heating Season Performance Factor) ratings to allow you to compare energy efficiencies of heating and air conditioning equipment. The higher the SEER or HSPF number, the more efficient the product.

Model	Capacity	Mbh	SEER ¹	HSPF
E1RA018S06	1.5 Ton	17	10	7.0
E1RA024S06	2.0 Ton	22	10	7.3
E1RA030S06	2.5 Ton	28	10	7.4
E1RA036S06	3.0 Ton	35	10	7.2
E1RA042S06	3.5 Ton	41	10	7.5
E1RA048S06	4.0 Ton	46	10	7.5
E1RA060S06	5.0 Ton	54	10	7.5

The Olympian Series unit is built for years of trouble-free service, with a 5-year limited warranty on the compressor and a 5-year limited warranty on all other parts.

For even more peace of mind, consider purchasing a

YORKCare™ Comfort Plan, providing total parts and labor coverage for up to 10 years. Ask your York Dealer for details.
